Blue Evolution STEAM HERO

Simple - Powerful - Practical

- ✓ High Performance
- ✓ Chemical Free Cleaning
- ✓ Integrated Vacuum
- ✓ Versatile and Easy to Use

STEAM HERO

Introducing the Steam Hero by BlueEvolution—your ideal entry-level steam machine for industrial cleaning. With a powerful 10-bar steam pressure and a high-performing industrial vacuum, the Steam Hero simplifies cleaning by combining steam and vacuum in one operation.

The Steam Hero offers chemical-free, eco-friendly cleaning, making it perfect for a wide range of surfaces. With a 3.8-litre water tank and a 3-meter-long hose, it's designed for both efficiency and convenience.

Say goodbye to grime and embrace effortless, professional cleaning.
